

## EU Regulation on Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

### Supplier Statement

This Supplier Statement relates to those products of MKS Instruments, Inc. ("MKS") listed on Exhibit A hereto (the "Products"), which are referred to under REACH as "articles".

MKS hereby attests the Products are compliant with the reporting requirements of Article 33 of the European Union's REACH Regulation EC1907-2006 regarding Substances of Very High Concern (SVHC) and the products do not contain the specific substances described in Article 67 and Annex XVII (with amendments), requiring disclosure thereof.

Please note that this Supplier Statement is made with respect to the REACH requirements defined as of 17 Jan 2022 (223 substances) and the threshold limits therein, and that all information provided in this Supplier Statement is accurate to the best of our knowledge as of the date of this document. This Supplier Statement is made based on our internal engineering analysis along with technical information made available to MKS from its material suppliers.
