

Model (Metric)	Thread		Dimensions [(mm)]		
	A	B	C	D	
SDS40-BK		6-32 (M3)	0.625 (16)	1.25 (32)	
SDS65-BK	1/4-20 (M6)		1.0 (25)*	2.0 (50)*	

*Dimensional Note: The dimensions shown for the length (C) and width (D) of the base holes of the SDS65-BK and M-SDS65-BK brackets are rounded to correspond to standard hole spacing for an optical table i.e. 1.00 inch (25 mm). For the actual unrounded dimensions please download and refer to the electronic CAD file for the bracket of interest.
